

A New Old Glory flies again!

Pictured above is Kathy and Jim Goss who graciously donated a new American flag to the senior center. A few months ago Jim called me and mentioned the weather had really tattered the flag flying on our flag pole. Jim, who is a Vietnam Veteran, told me he wanted to donate another new flag to us. They had previously donated one a few years ago. The scorching sun, rain, wind, ice and snow really deteriorates the flag. So in an extremely kind gesture, they donated another “symbol of our freedom” to fly high above our building.

**Thank you to Jim for his service to our country
and to both of them for their generosity.**
