due to COVID-19
virus.

Director's Corner

October 19th thru December 7th is Open Enrollment for changing your Medicare Part D Prescription Drug Plan due to pricing or changes in your medications. Please read page seven (7) for details regarding a "very limited" senior center opening for Part D Drug plan changes.

*We continue to receive phone calls regarding the new meal program developed by the Chester County Department of Aging. (CCDAS)
See if this offer of nutritious meals interests you!*

Weekly Cold and Frozen Meals available thru The Chester County Department of Aging

The Oxford Area Senior Center has been providing area seniors with vital services throughout the COVID-19 Pandemic, most importantly offering nutritious "grab and go" weekday meals.

We have provided area senior residents with over 2400+ nutritious meals since we closed our doors on Friday, March 13th. You do not need to be a current participant at the senior center to be eligible to receive meals. You will need to complete a Consumer Information Form providing us and the Department of Aging with some necessary information.

If you are able, a voluntary, confidential, anonymous donation of \$2 per meal is suggested to help the CCDAS offset some of the meal costs.

Each week a meal participant is eligible to receive 2 cold meals and 3 frozen meals. These meals are delivered to us every Tuesday and Thursday and **available for pick up between 11am and 12pm on those days.**

The cold lunch is a box lunch including a sandwich, cold vegetable or vegetable salad, and fruit. The frozen meal is similar to frozen meals you see in the grocery store. I've tried both and they are nutritious, tasty, and well-balanced meals.

The delivery we receive on Tuesday consist of one cold meal and one frozen meal, and one quart of milk for each participant who placed an order for meals that week. The Thursday delivery consists of one cold meal and two frozen meals also for each participant who had requested meals that week. That's a total of 5 meals each week that can be provided. **November's meal menu is on page 4.**

Our weekly meal order is due to the Department of Aging by noon of Tuesday for the following week!!!!!!!

If you have any questions about the meals or procedure for ordering them, please feel free to contact me. Since we are closed for activities, call the senior center (610-932-5244) and leave a message on my voice mail box or email me directly at jdmcleod@oxfordseniors.org.

*Please continue to be safe!
Jim*

MISSION STATEMENT: The mission of the Oxford Area Senior Center is to enhance the quality of life of senior citizens in Southern Chester County by providing programs and services that promote health, wellness, and fellowship.

NEW MEMBERS
David Whitby

Fall has finally fallen! The corn in the fields is totally brown-dried and ready to harvest. Extended summer weather is very pleasant with warm days and cool evenings. Get out and enjoy the sunny days.

If you haven't used all your Farmer's Market Vouchers, now is a great time to purchase pumpkins or apples for pies. They must be used by November 30th. If you try a new recipe and need a taste tester, I'm sure we can find someone here to *help* you!!

How has your year gone regarding Medicare Part D? There doesn't seem to be many problems in our area. October 19th we began enrolling those who needed a new plan. **Please read page seven (7) for details regarding appointments.** We continue to do lookups on the computer for specific prescription card companies, their plans & costs. When you come in for that service be sure to bring a complete list of all your current medications, strengths and dosage as they may have changed since last year. Even if your meds haven't changed, the Drug companies have changed costs, formularies and deductibles. The deadline for open enrollment is December 7th, no exceptions. It doesn't take long to do your comparison and the time taken can be well worth it. Procrastination can be very costly - you'll be stuck for the entire 2021 year. Make your appointment now!! PACE will place you in an appropriate Plan D.

Individual meetings sponsored by the various insurance companies in our area - Keystone 65, Humana and Aetna will be available. Make yourself available to all these informational meetings if you are looking to change. If you are satisfied with your provider, I will be glad to assist you in filling out your renewal forms. Turning 65 or know someone who is? Be sure to become informed of all your options.

If you receive a "**Termination**" letter from your current provider, be sure to call for an appointment so we can look at all your **options**. Time is of the essence when leaving one plan and going to a new one. There are certain "**Guaranteed Issue**" **options** and we want to help you find the plan that best suits your needs. The various plans include Original Medicare with a Medi-Gap supplement, or Medicare Advantage Plans such as HMO's, PPO's, Private Fee for Service, SNP's, and MSA's. The Apprise program is available here to help you.

Getting or know someone who is ready to collect Social Security? Plan now to watch the Medicare 101 classes being offered on the Chester County Library website (<https://www.ccls.org/> then click on Events Calendar, you can search for "Medicare" or search by library). They will have information and resources available to help you transition to the world of Social Security. Many of the programs available are governed by dates and you don't want to fall into lapses of time that cost you penalties and/or no coverage. Ignorance may be bliss, but is also expensive!! A Medicare Update class for those already on Medicare will also be held. Check that web-site for more information on the Update Classes. Learn all the new things for 2021. We currently are not holding any classes here in our building. Be sure to take advantage of the Library's offerings.

As we begin the busy holiday season, be sure to take one day at a time - enjoy the company of friends and family. Make memories for the younger generations as you relive past holidays and happenings. Cherish the moments, take time for fun.

Have a Happy and Fulfilling (pun intended) Thanksgiving!

Sally

WHAT IS INFORMATION & ASSISTANCE?

From time to time we all know we need information but have no idea how to find answers.

WHO IS SALLY ARTER?

MEDICARE OPEN ENROLLMENT

**Procedures and Guidelines for Open Enrollment Appointments
for seniors who require assistance with
Medicare Part D Prescription Drug Plan Enrollment
Call Sally for an appointment**

The senior center will be open on a very limited basis for
Open Enrollment Medicare Part D Prescription Drug appointments.
All Information, restrictions and protocols regarding these sessions
are listed below and must be strictly followed.

1. The time frame for limited opening will be weekdays from Monday, October 19, 2020 through Friday, December 4, 2020.
2. One-hour appointments, for a maximum of 2 (two) consumers, will be scheduled on-the-hour beginning at 9am and ending with the last appointment scheduled for 2pm.
3. Each appointment will be scheduled for a maximum time of 45 minutes, allowing the I & A Specialist 15 minutes for cleaning and sanitation immediately after the session.
4. Face masks must be worn and social distancing requirements will be strictly enforced by the Receptionist at all times. All consumers will be encouraged to bring their own paper for notes and writing utensils.
5. No consumers will be allowed to enter the facility until the previous consumers have exited the building and a staff member invites them to enter.
6. A pathway, beginning at the building entrance guiding all consumers to the I & A Specialist's meeting area, will keep all individuals a minimum distance of six (6) feet from any staff person.
7. The Receptionist will confirm all appointments, time of entry, and contact information in the event contact tracing becomes necessary.
8. All consumers will be required to use hand sanitizer as they enter and exit the building.
9. The I & A Specialist will observe all social distancing requirements during the meeting process.
10. All consumers will exit the building immediately after finishing their session and the next appointment will be invited to enter.
11. Consumers will not be allowed to use the restrooms. If an emergency situation occurs and they must use it, the room will be completely sanitized upon their exit.
12. A Hostess will contact all appointments no more than two (2) days prior to the session to explain all of the requirements for the session and restrictions on building usage, and complete a COVID-19 Participant Health Screening Form.

Annual Support Fund Drive

Due to continuing tight finances and increasing costs to operate our Senior Center, and of course the COVID-19 virus which has caused us to cancel most of our fundraisers, we find it necessary to again have an Annual Support Fund Drive to help defray some of the costs in operating the Senior Center.

The Fund Drive will not begin until December 1st so more details will be in next month's newsletter.

Thank you for all that each of you do to keep the Senior Center partially operational during this difficult and dangerous time so we can assist our senior consumers virtually, by telephone and one-on-one by appointment.

National Diabetes Awareness Month

What causes diabetes? Find out and take control.

The good news is you can prevent or delay type 2 diabetes. That's right: If you're at risk, making small changes to the way you eat, increasing your physical activity levels or getting early treatment can, for some, actually return blood sugar levels to a normal range. So, take a breath - and then take action.

If you're looking for ideas on how to get started—or reverse the course of what's already underway—we have everything you need. Our risk test can help you assess your risk level. And if you're at high risk or feel like you might have diabetes, get a blood test to find out if you have diabetes or prediabetes.

Learn your risk - <https://www.diabetes.org/risk-test>

American Diabetes Association (www.diabetes.org/diabetes-risk) has a full slate of fitness ideas, nutritional plans and tips to help you move forward, including how to get help from a lifestyle change program led by a lifestyle coach trained to use a Centers for Disease Control and Prevention approved curriculum in your area.

Even if you have prediabetes... There are many factors you can control. Prediabetes is a condition that can lead to type 2 diabetes and even heart disease. Your chances of having prediabetes go up if you:

- Are 45 or older
- Are Black, Hispanic/Latino, American Indian, Asian American or Pacific Islander
- Have a parent, brother or sister with diabetes
- Are overweight
- Are physically inactive
- Have high blood pressure or take medicine for high blood pressure
- Have low HDL cholesterol and/or high triglycerides
- Had diabetes during pregnancy
- Have been diagnosed with polycystic ovary syndrome
